ROSS

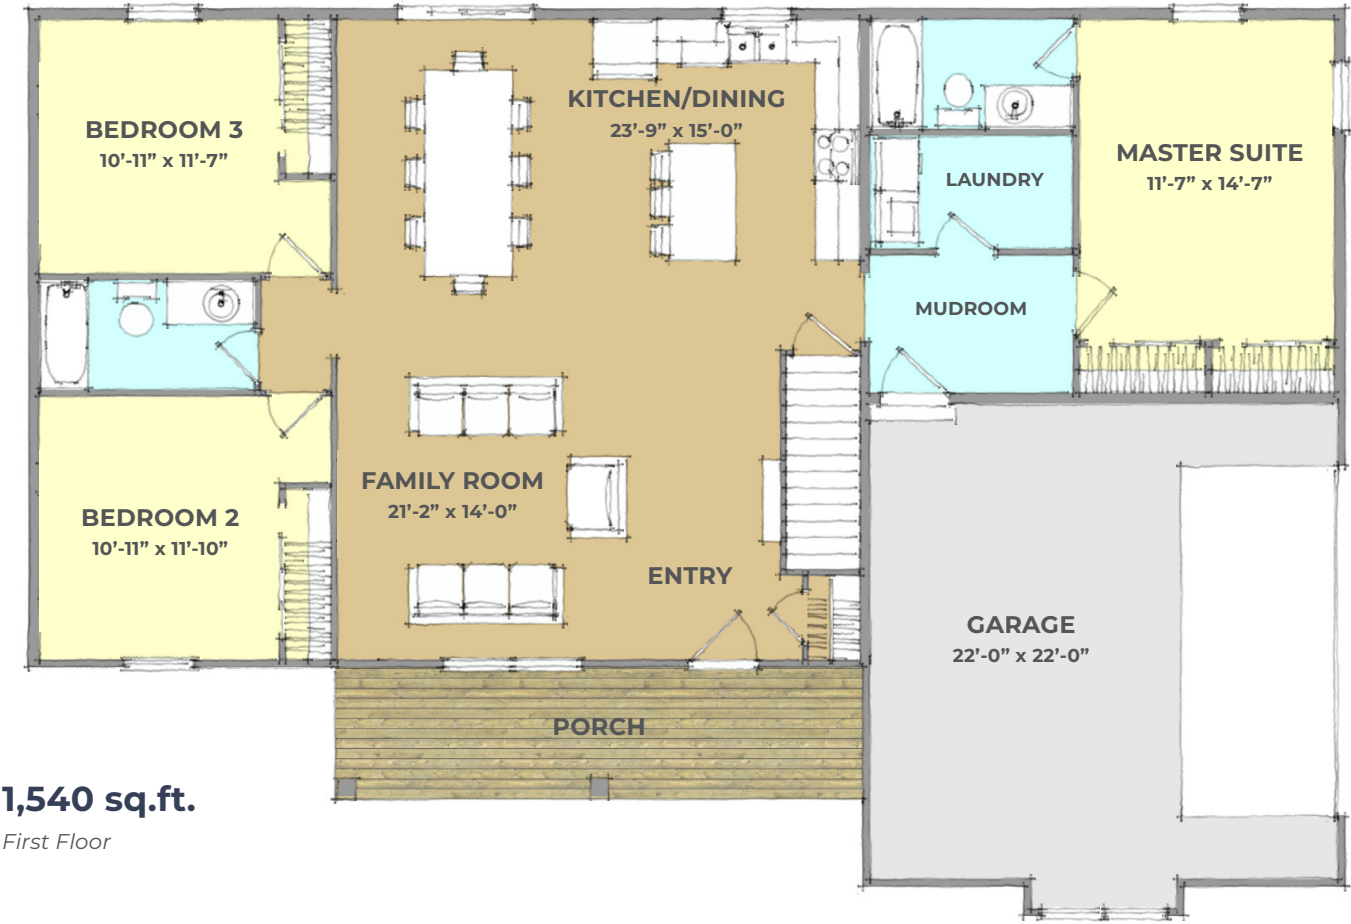

DESIGNER COLLECTION

One Story 1,540 sq.ft. **3** bdrm **2** bath

This cute cottage style home features a 6' deep porch perfect for relaxing and watching the sunset! Board & batten vinyl siding and shutters coupled with black windows enhance the look of the home's exterior.

Inside the home, The Ross features a modern kitchen with island open to the dining and family room. The family room, kitchen and dining areas are surrounded by two bedrooms and a large master suite - keeping the family together but also allowing for some privacy when needed.
