CRESTLINE

DESIGNER COLLECTION

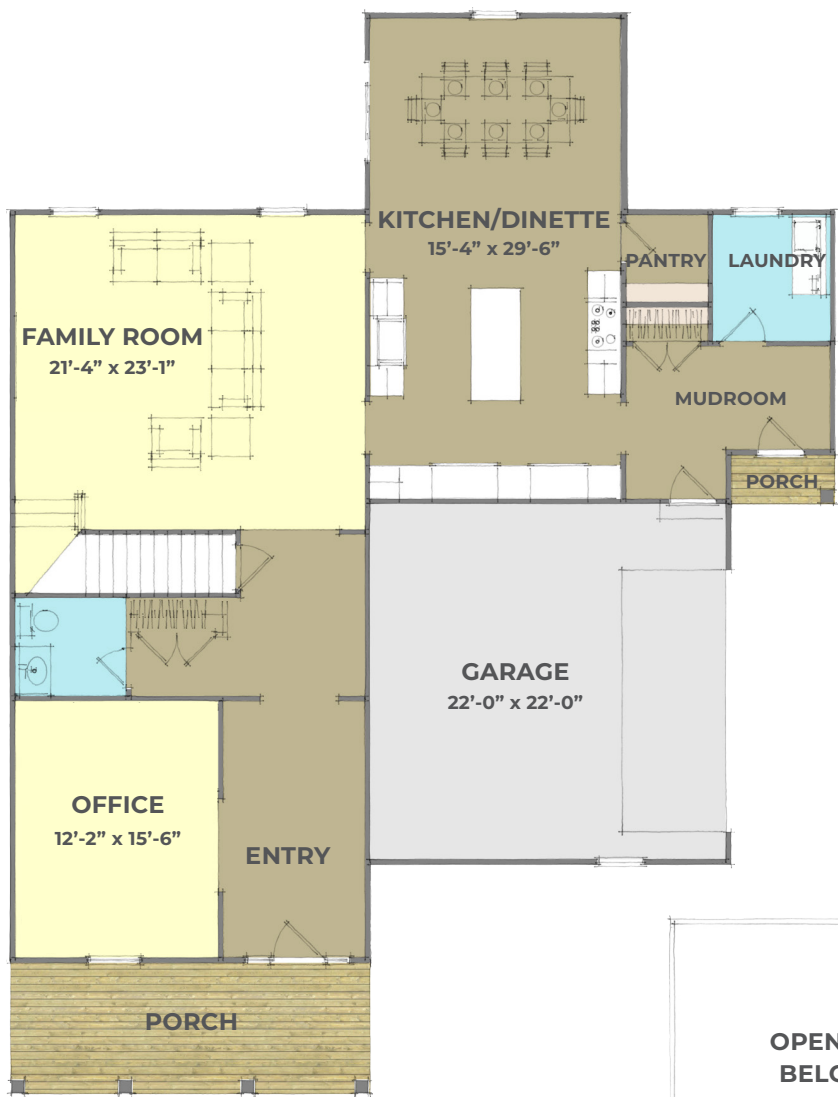

Two Story 2,992 sq.ft. **3** bdrm **2.5** bath

The Crestline offers modern living packaged in a classic farmhouse form.

A massive two-story open family room with dramatic stairway leads to a second floor with oversized bedrooms and plenty of closet space. A covered porch behind the included side load garage provides easy access to the mudroom and laundry room without always opening the garage door. The potential for a bonus room upstairs makes this the perfect plan.

Dormers above the garage and a two-toned exterior clad in vinyl lap siding and board & batten punctuate the historic look of the Crestline.
