MONTGOMERY

DESIGNER COLLECTION

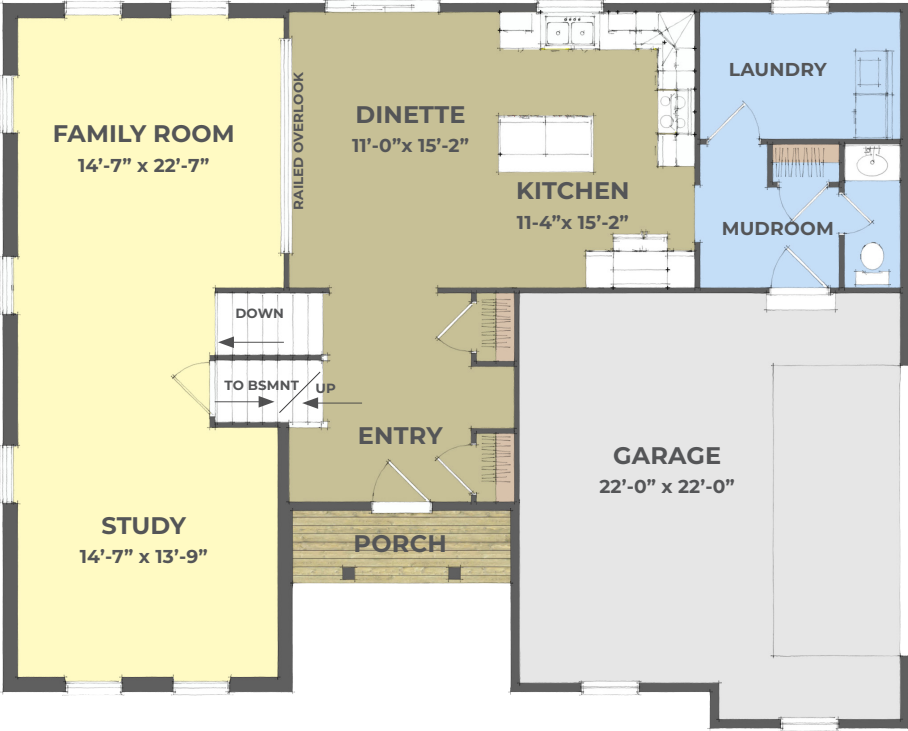

Multi-Level 2,342 sq.ft. **3** bdrm **2.5** bath

Unlock the value and ease of multi-level living with The Montgomery!

The open kitchen features a large island and plenty of counter space for cooking. Both the kitchen/dinette areas overlook the lower level family room making it the perfect spot for family gatherings. Enjoy the study, off the family room, which can second as an office or play area. The master suite features two walk-in closets, dual vanities and a spacious private bath. The other two bedrooms have access to a shared hall bath.

This gorgeous multi-level plan is a practical and attractive farmhouse style home.
