MONROE

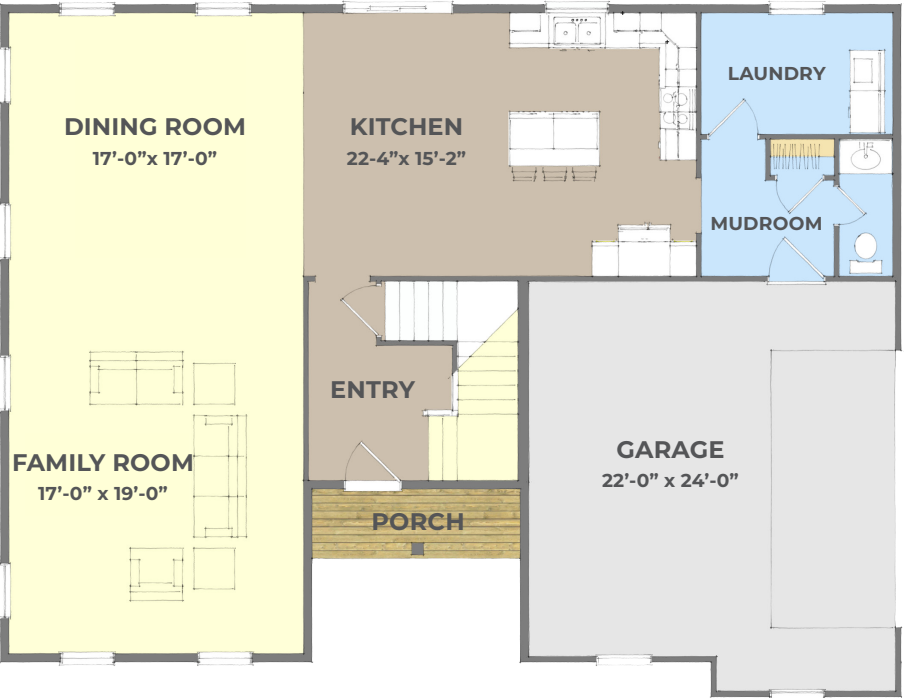

DESIGNER COLLECTION

Multi-Level 2,566 sq.ft. **3** bdrm **2.5** bath

The Monroe offers an open and flexible living space! The two story entry opens up into the family room, dining room and kitchen. Consider customizing this plan by adding a two-sided fireplace between the kitchen and dining room - providing both warmth and ambiance to the adjoining rooms.

The second level features three bedrooms including the master suite. Inside the master suite, enjoy two spacious walk-in closets, a large double bowl vanity, separate shower and soaker tub.
