DESIGNER COLLECTION

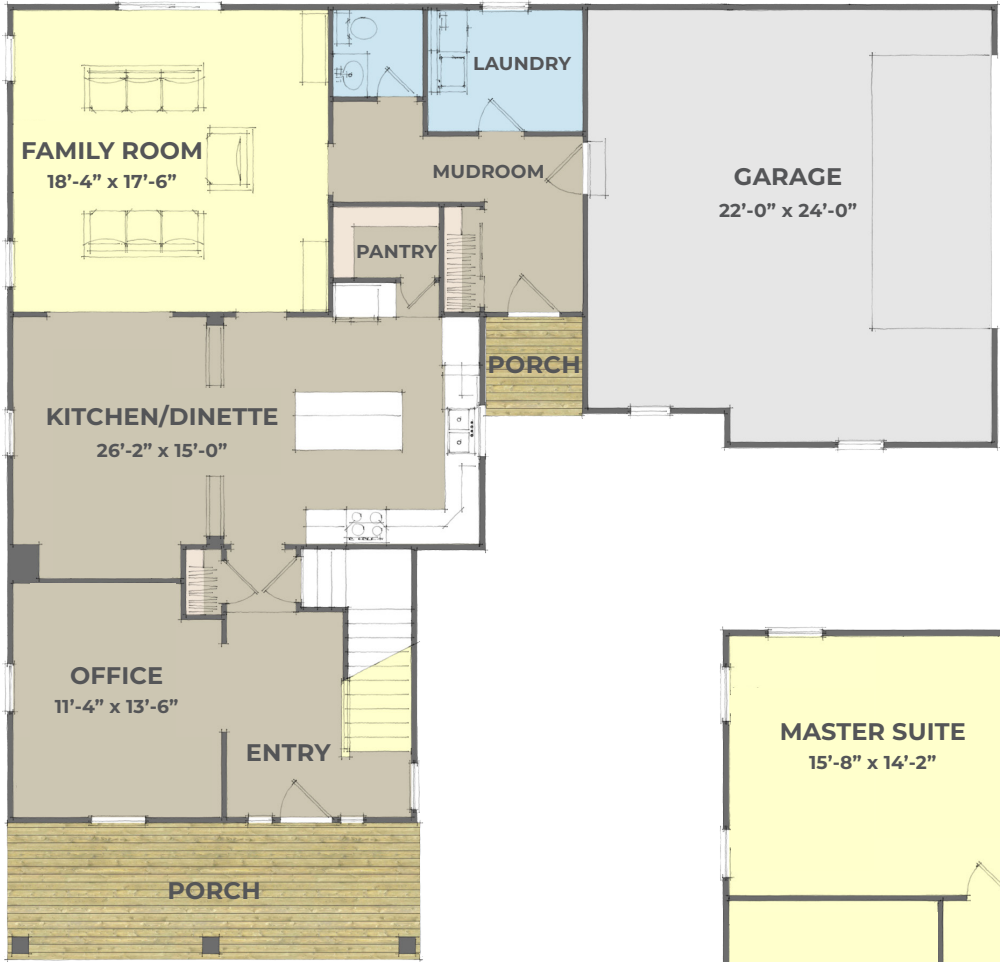

**Two Story** 2,574 sq.ft. **4** bdrm **2.5** bath

Inspired by turn of the century farmhouses found throughout the Cumberland Valley, this two-story home combines classic, timeless architecture with a spacious floor plan.

The Cumberland boasts a large family room open to the dinette/kitchen making it the perfect gathering spot for friends and family. A staircase leads up from the entry to a wrap-around loft/hallway that takes you to four bedrooms including the large master suite.

Outside, enjoy the 8' deep front porch - the perfect place to sit and sip lemonade on a hot summer day.
